Product information

OPN car shampoo concentrate WASH-ME!

- *with apple scent*
- *for intensive cleaning and maintenance of vehicles*

Properties:

The car shampoo for professionals for the residue-free removal of dirt of all kinds on vehicles. Cleans and creates a high-gloss, streak-free surface in one pass. Easy to use, simply dilute with water. Intense foaming with a fresh apple scent.

- Very good cleaning power
- Suitable for all types of paintwork
- Intense foaming
- Quick drying
- High-gloss surface
- Without silicones

Applications:

- Vehicle preparation
- Manual car wash
- Cleaning of plastic surfaces in the caravan area

pH: **pH-neutral** pH value (conc.) = approx. 6.5 - 7.5 pH-value (1 %) = ca. 6,5 - 7,5

Ingredients according to Regulation (EC) No. 648/2004/EC:

≥5% - <15% non-ionic surfactants, < 5% cationic surfactants, amphoteric surfactants, fragrances (BENZYL BENZOATE, DIPENTENE, HEXYL CINNAMAL), PRESERVATIVES (PHENOXYETHANOL, SODIUM BENZOATE, 2-BUTYL-1,2-BENZOTHAZOLE-3-ONE, LAURYLAMINE DIPROPYLENEDIAMINE)

Information on ecology: The surfactants used are readily biodegradable (>60% OECD)

Application:

Our information is a recommendation based on our experience. Without testing for suitability for the respective purpose and without preliminary tests, as well as in the event of improper handling, no liability for any damage.

- Test for material compatibility in an inconspicuous area before use.
- **Dosage:** Add 100 ml to 10 l of water (1%)
- If less foaming is desired, first add the water to the bucket, then shampoo.
- Spray off coarse dirt first, wash the vehicle with a brush or sponge with the shampoo solution, then spray / rinse with clean water.
- Do not work in the blazing sun and leave to dry.

Protect from frost.

Delivery information:

Item no. 16392 Disposable bottle : 1 litre capacity

Item no. 16390 Disposable canister: 10 liters capacity

Observe the information on the label and the EC safety data sheet!

Our technical specifications have been prepared carefully and to the best of our knowledge. They do not exempt the processor from his own conscientious tests due to the large number of possible influences in the processing and application of the products! A legally binding assurance of certain properties or suitability for a specific purpose cannot be derived from our information. Existing laws and regulations must be checked and observed by the user of our products on his own responsibility before use.
